

Kaviyarasan

Full Stack Web Developer

+91 8667746044 | kaviyarasan110920@gmail.com | [Kaviyarasan600- github.com](https://github.com/Kaviyarasan600)

209 M.P.M St B.B., Road Opp., Vyasrapadi, Chennai - 6000

SKILLS

- Proficient in **HTML** and **CSS** for creating well-structured and visually appealing web pages.
- Skilled in **JavaScript**, using it to add interactivity and enhance user experience.
- Experienced in responsive web design with **Bootstrap**, ensuring cross-device compatibility.
- Familiar with **Python** and **Django**, developing robust and efficient back-end solutions.
- Basic knowledge of **PHP** for server-side scripting and dynamic web content.
- Competent in database management using **MySQL** to store and retrieve data.
- Proficient in **React**, creating interactive and dynamic front-end components.
- Utilized **SASS** to improve CSS code organization and maintainability.
- Version control expertise with **Git** for collaborative development.
- Comfortable with development tools like **Visual Studio** and **PyCharm**.
- Problem-solving and debugging skills for web application development.
- Effective communication and teamwork skills for project collaboration.

PROJECT

Portfolio Website: Create a personal website that serves as your online portfolio. Showcase your skills, projects, and achievements. Mention the technologies used, such as **HTML**, **CSS**, **JavaScript**, and **SASS**.

E-commerce Website: Build an e-commerce website for a hypothetical store or a specific niche. Highlight features like product listings, shopping cart, and secure payment processing. Mention technologies like **HTML**, **CSS**, **SASS**, **JavaScript**, and possibly a back-end framework like **Django**.

Successfully completed various small projects using **HTML**, **CSS**, **SASS**, and **JavaScript** in Visual Studio, showcasing proficiency in front-end web development.

PROFESSIONAL SUMMARY

Aspiring **Full Stack Web Developer** with a solid foundation in front-end technologies including **HTML**, **CSS**, **JavaScript**, **SASS** and frameworks like **Bootstrap** and **React**. Proficient in back-end development using **Python** and **Django**, with a grasp of database management using **MySQL**. Eager to apply my knowledge, learn, and contribute to innovative web projects. Familiar with version control tools like **Git** and development environments like **Visual Studio** and **PyCharm**. Committed to staying updated on industry trends and best practices, and excited to embark on a career in full-stack web development.

EDUCATION

Saveetha Engineering College |
Anna University | 2022
B.E AGRICULTURE ENGINEERING | **7.43 CGPA.**

V.O.C Vidiyalayaa Matriculation Hr. Sec. School |
State Board | 2018 | HSC | 63% Percentage.

V.O.C Vidiyalayaa Matriculation Hr. Sec. School |
State Board | 2016 | SSLC | 69% Percentage.

LIVE TRAINING AND SELF-STUDY

Web Development Courses: Completed several courses on covering topics including **HTML**, **CSS**, **JavaScript**, **Python**, and front-end and back-end development.

Personal Projects: Independently developed and launched a portfolio website, e-commerce site, and several small web applications to gain practical experience in web development. Coding **Self-Study:** Devoted time to self-study and exploration of new technologies and frameworks, consistently expanding my skill set.
